

PHOENIX STORM RFC is actively seeking season sponsors. We accept in-kind and cash sponsorships and offer you and your organization different levels of sponsorship and ways to gain visibility and reach. Yearly player dues and ongoing fundraising events are simply not enough to meet the club's operating costs.

We are looking for additional donations and sponsorships from local businesses, organizations and individuals that will directly benefit the PHOENIX STORM RFC and also offer cross-promotional opportunities.

These donations may be used to offset our operating costs:

- Equipment purchase
- Team uniforms
- Field rentals
- USA Rugby Dues/ARU Registration Fees
- Team Scholarships to help defray the membership dues for players who have financial hardships
- Home Match Underwriting
- ...and much more!

PHOENIX STORM RFC is currently pursuing Federal 501(c) 3 tax-exempt status. Currently, contributions to the PHOENIX STORM RFC are tax-deductible as an investment expense to the extent allowable by current law, but are not considered a charitable donation.

After our application for 501(c) 3 has been accepted, contributions to the club will be fully tax-deductible.
